☐ **Community Mental Health Services (CMHS) - Tel: 705-325-2201 ext. 3122**

CMHS is a voluntary, extended term service that aims to provide integrated community care and support for individuals aged 16 and older with a serious mental illness (defined by diagnosis, chronicity and level of function).

Counselling and Treatment can include the following modalities: Mindfulness and Cognitive Behavioural Therapy (CBT), Dialectical Behavioural Therapy (DBT), treatment of trauma, and/or perinatal mood support.

Case Management is geared primarily towards those with a psychotic disorder requiring support and assistance with independent living skills. Case Management clients may be assessed for membership at the Meeting Place, which is an independent, peer-support clubhouse directed by CMHS clients and supported by CMHS staff.

*All Referrals will be screened for Eligibility. Referrals for assessment/treatment where the **PRIMARY** concerns are related to the following will **not** be accepted at this time: Anger Management, Eating Disorders, Chronic Pain, Relationship Counselling, Autism Spectrum Disorders, Developmental Delay and Addictions. We do not provide assessments for legal, insurance, custody, child welfare, WSIB, or forensic reasons.*
