

# Department of Anesthesia

## Full Time & Locum Opportunities

### Compensation Structure

Combination of Fee for Service & HOCC for on call

\*AFA- Alternate Funding Agreement submission complete and anticipated implementation in 2024

### Call Schedule

1 in 10

### Qualifications

- College of Physicians and Surgeons of Ontario (CPSO) unrestricted license that allows the physician to fulfil the requirements of this position
- Fellowship in Anaesthesia recognized by the Royal College of Physicians and Surgeons of Canada (RCPSC), or
- GP Anaesthesia training provided by a recognized Canadian university program.

Join a group of 10 anesthesiologists and provide anesthesia services at Orillia Soldiers' Memorial Hospital (OSMH).

In addition to providing general anesthetics for services including general surgery, ENT, gynecology, plastic surgery, orthopedics, urology and ophthalmology, the successful candidate will possess experience in managing pediatric and obstetrical cases. Other responsibilities will include:

- Pre-admission clinic consultations
- Adminstrating sedation in the endoscopy suite
- Providing support for difficult cases in the emergency department.
- Opportunity for ultrasound guided regional anesthesia
- Participation in anesthesia procedure clinic for chronic pain management exists for candidates with adequate training
- Provide a central role for prioritization of after hour cases

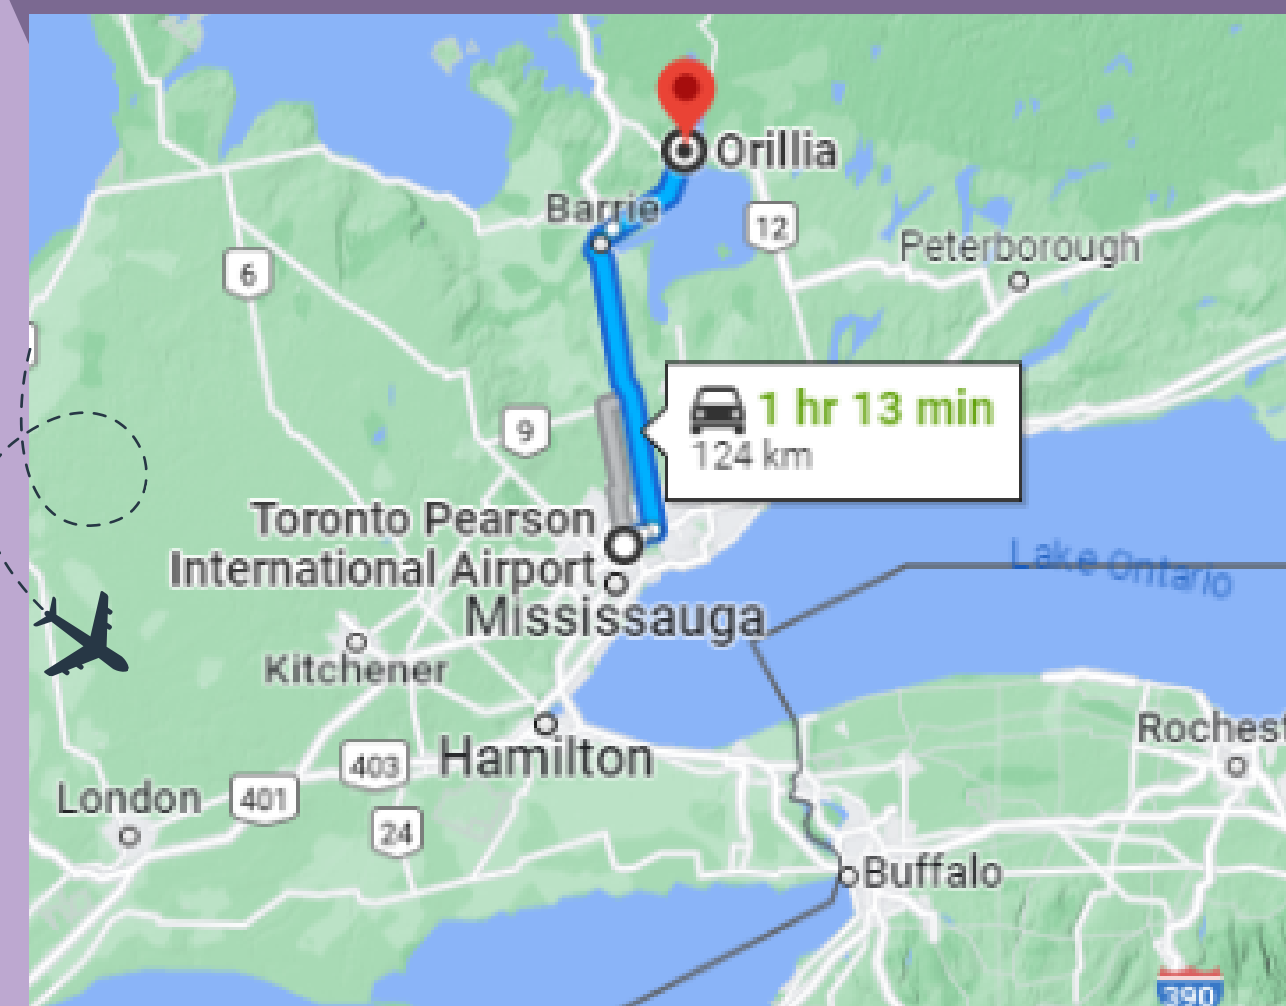

Births at OSMH each year number between 1100-1200. The five operating rooms provide out-patient and in-patient surgeries. The operating rooms run from 07:30 to 15:30hrs.
