## **INDEPENDENT AUDITOR'S REPORT**

To the Directors of Orillia Soldiers' Memorial Hospital

### ***Opinion***

We have audited the financial statements of Orillia Soldiers' Memorial Hospital (the Hospital), which comprise:

- the statement of financial position as at March 31, 2025
- the statement of operations for the year then ended
- the statement of changes in net assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Hospital as at March 31, 2025, and its results of operations and its cash flows year then ended in accordance with Canadian public sector accounting standards.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Hospital in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Hospital's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Hospital or to cease operations, or has no realistic alternative but to do so.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Hospital's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Page 3

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Hospital's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Hospital's to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# ORILLIA SOLDIERS' MEMORIAL HOSPITAL

Notes to Financial Statements

Year ended March 31, 2025  
(In thousands of dollars)

---

The Orillia Soldiers' Memorial Hospital (the "Hospital") was incorporated under the laws of Ontario in 1908. The Hospital is principally involved in providing health care services to Orillia and the surrounding area. The Hospital is a registered charity under the Income Tax Act and, accordingly, is exempt from income taxes provided certain requirements of the Income Tax Act are met.

## 1. Significant accounting policies:

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards including the 4200 standards for government not-for-profit organizations.

### (a) Revenue recognition:

The Hospital accounts for contributions, which include donations and government grants, under the deferral method of accounting.

Under the Health Insurance Act and Regulations thereto, the Hospital is funded primarily by the Province of Ontario in accordance with budget arrangements established by the Ministry of Health ("MOH") and Ontario Health Central ("OHC"). Operating grants are recorded as revenue in the period to which they relate. Grants approved but not received at the end of an accounting period are accrued. Where a portion of a grant relates to a future period, it is deferred and recognized in the subsequent period.

Unrestricted contributions are recognized as revenue when received or receivable if the amounts can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions are recognized as revenue in the period in which the related expenses are recognized.

Contributions restricted for the purchase of capital assets are deferred and amortized into revenue on the straight-line basis at rates corresponding to those of the related capital assets.

Revenue from patient and other services is recognized as the performance obligations are provided and when the service is provided.

### (b) Inventories:

Inventories are stated at the lower of average cost and net realizable value. Cost comprises all costs to purchase, convert and any other costs in bringing the inventories to their present location and condition.

# ORILLIA SOLDIERS' MEMORIAL HOSPITAL

Notes to Financial Statements

Year ended March 31, 2024

(In thousands of dollars)

---

## 1. Significant accounting policies (continued):

### (c) Property, plant and equipment:

Property, plant and equipment are recorded at cost. Assets acquired under capital leases are initially recorded at the present value of the future minimum lease payments and amortized over the useful life of the assets. Minor equipment replacements are expensed in the year of replacement. Contributed assets are recorded at fair market value.

Construction in progress is not amortized until construction is complete and the facilities come into use.

Amortization is provided on the straight-line basis at the following range of annual rates:

---

Land improvements	5.0%
Buildings	2.5%
Building service equipment	5% - 20%
Furniture and equipment	5% - 20%

---

In the year of acquisition, amortization is pro-rated based on the date of service.

Long-lived assets, including capital assets subject to amortization, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability is measured by a comparison of the carrying amount to the estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of the asset exceeds its estimated future cash flows, an impairment charge is recognized by the amount by which the carrying amount of the asset exceeds the fair value of the asset. When quoted market prices are not available, the Hospital uses the expected future cash flows discounted at a rate commensurate with the risks associated with the recovery of the asset as an estimate of fair value.

Assets to be disposed of would be separately presented in the statement of financial position and reported at the lower of the carrying amount or fair value less costs to sell, and are no longer amortized. The asset and liabilities of a disposed group classified as held for sale would be presented separately in the appropriate asset and liability sections of the statement of financial position.

### (d) Related entities:

The notes to financial statements include information of the following entities (note 18):

Orillia Soldiers' Memorial Hospital Foundation ("OSMH Foundation")

# ORILLIA SOLDIERS' MEMORIAL HOSPITAL

Notes to Financial Statements

Year ended March 31, 2024  
(In thousands of dollars)

---

## 1. Significant accounting policies (continued):

### (e) Asset retirement obligations:

The Hospital recognizes the fair value of an asset retirement obligation ("ARO") when all of the following criteria have been met:

- There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- The past transaction or event giving rise to the liability has occurred;
- It is expected that future economic benefits will be given up; and
- A reasonable estimate of the amount can be made.

A liability for the removal of asbestos-containing materials in certain Hospital facilities and underground fuel tanks owned by the Hospital has been recognized based on estimated future expenses. Actual remediation costs incurred are charged against the ARO to the extent of the liability recorded. Differences between the actual remediation costs incurred and the associated liability recorded within the consolidated financial statements are recognized in the Statement of Operations at the time of remediation occurs.

### (f) Employee post-retirement benefits:

The Hospital accrues its obligations for employee benefit plans. The cost of non-pension post-retirement and post-employment benefits earned by employees is actuarially determined using the projected benefit method pro-rated on service and management's best estimate of retirement ages of employees and expected health care costs.

Actuarial gains (losses) on the accrued benefit obligation arise from changes in actuarial assumptions used to determine the accrued benefit obligation. The net accumulated actuarial gains (losses) are amortized over the average remaining service period of active employees. The average remaining service period of the active employees covered by the employee benefit plan is 13 years.

Past service costs arising from plan amendments are recognized immediately in the period the plan amendments occur.

The Hospital is an employer member of the Health Care of Ontario Pension Plan (the "Plan"), which is a multi-employer, defined benefit pension plan. The Hospital has adopted defined contribution plan accounting principles for this Plan because insufficient information is available to apply defined benefit plan accounting principles. The Hospital records as pension expense the current service cost, amortization of past service costs and interest costs related to the future employer contributions to the Plan for past employee service.

# ORILLIA SOLDIERS' MEMORIAL HOSPITAL

## Notes to Financial Statements

Year ended March 31, 2024

(In thousands of dollars)

---

### 1. Significant accounting policies (continued):

(g) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the periods specified. Significant items subject to such estimates and assumptions include the carrying amount of capital assets; valuation allowances for receivables, and inventories; valuation of financial instruments; and assets and obligations related to employee future benefits. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

In addition, the Hospital's implementation of *PS3280 Asset Retirement Obligations* has resulted in the requirement for management to make estimates regarding the useful lives of affected tangible capital assets and the expected retirement costs.

Actual results could differ from those estimates.

(h) Funding adjustments:

The Hospital receives grants from the OHC and MOH for specific services. Pursuant to the related agreements, if the Hospital does not meet specified levels of activity or achieves other criteria for revenue recognition, the MOH or OHC may be entitled to seek recoveries. Should any amounts become recoverable, the recoveries would be charged to operations in the period in which the recovery is determined to be payable. Should programs and activities incur a deficit, the Hospital records any recoveries thereon when additional funding is received or receivable if the amounts can be reasonably estimated and collection is reasonably assured.

(i) Contributed services:

A substantial number of volunteers contribute a significant amount of their time each year. Given the difficulty of determining the fair market value, contributed services are not recognized in the financial statements.

(j) Financial instruments:

All financial instruments are initially recorded on the statement of financial position at fair value.

All investments, if any, held in equity instruments that trade in an active market are recorded at fair value. Management has elected to record investments at fair value as they are managed and evaluated on a fair value basis. Freestanding derivative instruments that are not equity instruments that are quoted in an active market are subsequently measured at fair value.

Unrealized changes in fair value are recognized in the statement of remeasurement gains and losses until they are realized, when they are transferred to the statement of operations.

# ORILLIA SOLDIERS' MEMORIAL HOSPITAL

## Notes to Financial Statements

Year ended March 31, 2024  
(In thousands of dollars)

### 1. Significant accounting policies (continued):

#### (j) Financial instruments (continued):

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred.

All financial assets are assessed for impairment on an annual basis. Where a decline in fair value is determined to be other than temporary, the amount of the loss is recognized in the statement of operations and any unrealized gain is adjusted through the statement of remeasurement gains and losses. On sale, the statement of remeasurement gains and losses associated with that instrument are reversed and recognized in the statement of operations.

### 2. Accounts receivable:

	2025	2024
MOH/OHC	\$ 2,296	\$ 2,379
Insurers and patients	1,660	1,370

Buildings	121,825	64,624	57,201
Building service equipment	33,299	11,353	21,946
Furniture and equipment	105,817	80,275	25,542
Work in progress	3,903	-	3,903
	<b>\$ 271,973</b>	<b>\$ 159,443</b>	<b>\$ 112,530</b>

# ORILLIA SOLDIERS' MEMORIAL HOSPITAL

Notes to Financial Statements

Year ended March 31, 2024  
(In thousands of dollars)

### 3. Property, plant and equipment (continued):

	2024		
	Cost	Accumulated Amortization	Net book Value
Land	\$ 3,683	\$ -	\$ 3,683
Land improvements	3,368	3,154	214
Buildings	121,272	61,700	59,572
Building service equipment	32,699	9,615	23,084
Furniture and equipment	100,645	74,683	25,962
Work in progress	2,947	-	2,947
	<b>\$ 264,614</b>	<b>\$ 149,152</b>	<b>\$ 115,462</b>

### 4. Accounts payable and accrued liabilities:

	2025	2024
Accounts payable and accrued liabilities:		
- OHC/MOH	\$ 3,615	\$ 3,409
- Trade accounts payable	3,575	2,493
- Other	5,803	5,377
Payroll accruals:		
- salaries and wages	3,936	4,113
- vacation pay and other entitlements	12,656	11,577
	<b>\$ 29,585</b>	<b>\$ 26,969</b>

### 5. Deferred contributions:

Deferred contributions represent unspent funding externally restricted for specific programs received in the current and/or prior period that are related to a subsequent period.

# ORILLIA SOLDIERS' MEMORIAL HOSPITAL

Notes to Financial Statements

Year ended March 31, 2024

(In thousands of dollars)

## 6. Asset retirement obligation:

The Hospital has accrued for asset retirement obligations related to the legal requirement for the removal or remediation of asbestos-containing materials in certain facilities as well as underground fuel tanks on properties owned by the Hospital. The obligation is determined based on the estimated undiscounted cash flows that will be required in the future to remove or remediate the asbestos containing material and any soil contaminants in accordance with current legislation.

The change in the estimated obligation during the year consists of the following:

	2025	2024
Balance, beginning of year	\$ 512	\$ 441
Add: Inflation adjustment	14	71
Balance, end of year	\$ 526	\$ 512

## 7. Long-term obligations:

Included in this balance are amounts owing for various pay equity and other labour settlements beyond the next fiscal year.

## 8. Employee post-retirement benefits:

The Hospital sponsors a post-retirement defined benefit plan for medical, life insurance and dental benefits for substantially all unionized full time employees with various cost-sharing arrangements as determined by their collective agreements. The most recent valuation of the employee future benefits was completed as at April 1, 2023.

The accrued benefit obligation is recorded in the financial statements as follows:

	2025	2024
Balance, beginning of year	\$ 6,235	\$ 6,111
Add: benefit costs	813	763
	7,048	6,874
Less: benefit contributions	(558)	(639)
Balance, end of year	\$ 6,490	\$ 6,235

Similar to most post-employment benefit plans (other than pension) in Canada, the Hospital's plan is not pre-funded, resulting in plan deficit equal to the accrued benefit obligation.

# ORILLIA SOLDIERS' MEMORIAL HOSPITAL

Notes to Financial Statements

Year ended March 31, 2024  
(In thousands of dollars)

## 8. Employee post-retirement benefits (continued):

The significant actuarial assumptions adopted in measuring the Hospital's accrued benefit obligations are as follows:

	2025	2024
Discount rate	4.50%	4.70%
Dental cost trend rates	5.00%	5.00%
Extended health care trend rates	5.27%	5.27%

## 9. Deferred capital contributions:

Deferred capital contributions represent the unamortized and unspent balances of donations and grants restricted for capital asset acquisitions. Details of the continuity of these funds are as follows:

	2025	2024
Balance, beginning of year	\$ 83,013	\$ 82,165
Contributions received during the year:		
OSMH Foundation	2,478	3,037
MOH/OHC	2,567	3,588
	5,045	6,625
Amounts amortized to revenue:		
Hospital operations	(6,718)	(5,753)
Specifically funded programs	-	(24)
	(6,718)	(5,777)
Balance, end of year	\$ 81,340	\$ 83,013

The balance of unamortized and unspent funds consists of the following:

	2025	2024
Unamortized	\$ 80,320	\$ 82,525
Unspent:		
Capital projects	1,020	488
	\$ 81,340	\$ 83,013

# ORILLIA SOLDIERS' MEMORIAL HOSPITAL

Notes to Financial Statements

Year ended March 31, 2024

(In thousands of dollars)

## 10. Ministry of Health/Ontario Health Central:

	2024	2024
MOH/OHC	\$ 159,838	\$ 154,914
Ontario Renal Network	14,152	14,452
Cancer Care Ontario	6,184	4,721
Paymaster	(4,237)	(4,635)
	<u>\$ 175,937</u>	<u>\$ 169,452</u>

## 11. Specifically funded programs:

The Hospital administers a number of programs which are separately funded. The revenue and expenses related to these programs are recorded separately from the base funding operations of the Hospital and any excess or deficiency of revenue over expenses is settled with the funding agencies on an annual basis.

	2025	2024
Revenue:		
Community Mental Health and Addictions	\$ 2,275	\$ 2,186
CTN Occupational Therapy	764	763
Simcoe – Occupational/Physiotherapy	479	511
MCSS Social Work program	206	217
Bundled Care	100	66
High Intensity Supports at Home	3,478	2,849
Municipal taxes	18	18
	<u>7,320</u>	<u>6,610</u>
Expenses:		
Community Mental Health and Addictions	2,328	2,330
CTN Occupational Therapy	764	797
Simcoe – Occupational/Physiotherapy	479	515
MCSS Social Work program	210	179
Bundled Care	100	67
High Intensity Supports at Home	3,478	2,850
Municipal taxes	19	18
	<u>7,378</u>	<u>6,756</u>
Deficiency of revenue over expenses	<u>\$ (58)</u>	<u>\$ (146)</u>

During the year, the Hospital received a total of \$490 in funding from the County of Simcoe (2024 - \$490) related to the Special Needs Resourcing program, of which \$479 is included in the Simcoe-Occupation revenues noted above, with the remaining portion included in other revenues in the Statement of Operations. The Hospital has fully spent these funds during the current year.

# ORILLIA SOLDIERS' MEMORIAL HOSPITAL

Notes to Financial Statements

Year ended March 31, 2024  
(In thousands of dollars)

---

## 12. Bank indebtedness:

The Hospital has arranged for credit facilities which include the following:

- \$12 million credit facility available to fund operating requirements, bearing interest at banker's prime rate less 0.65% per annum.
- \$12.7 million credit facility available to fund capital expenditures, bearing interest at banker's prime rate less 0.25% per annum and repayment terms of 84 months from the date of any drawdown.

As at March 31, 2025, there was \$Nil drawn on the credit facilities (2024 - \$Nil).

## 13. Contingencies:

### (a) Legal matters and litigation:

The Hospital is involved in certain legal matters and litigation, the outcomes of which are not presently determinable. The loss, if any, from these contingencies will be accounted for in the periods in which the matters are resolved. Management is of the opinion that these matters are mitigated by adequate insurance coverage.

### (b) Employment matters:

During the normal course of business, the Hospital is involved in certain employment related negotiations and has recorded accruals based on management's estimate of potential settlement amounts where these amounts are reasonably determinable.

### (c) HealthCare Insurance Reciprocal of Canada:

The Hospital is a member of the HealthCare Insurance Reciprocal of Canada ("HIROC"). HIROC is a pooling of the liability insurance risk of its members. All members pay annual deposit premiums which are actuarially determined and are subject to further assessment for losses, if any, experienced by the pool for the years in which they are members. As at March 31, 2025, no assessments have been received by the Hospital.

# ORILLIA SOLDIERS' MEMORIAL HOSPITAL

Notes to Financial Statements

Year ended March 31, 2024

(In thousands of dollars)

---

## 14. Financial risks and concentration of credit risk:

### (a) Credit risk:

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. The Hospital is exposed to credit risk with respect to accounts receivable and other investments.

The Hospital assesses, on a continuous basis, accounts receivable and provides for any amounts that are not collectible in the allowance for doubtful accounts. The maximum exposure to credit risk of the Hospital at March 31, 2024 is the carrying value of these assets.

Management considers credit risk to be minimal as most of the accounts receivable balance is collected in a timely fashion.

There have been no significant changes to the credit risk exposure from 2024.

### (b) Liquidity risk:

Liquidity risk is the risk that the Hospital will be unable to fulfill its obligations on a timely basis or at a reasonable cost. The Hospital manages its liquidity risk by monitoring its operating requirements. The Hospital prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations.

Accounts payable and accrued liabilities are generally due within 60 days of receipt of an invoice.

There have been no significant changes to the liquidity risk exposure from 2024.

## 15. Pension plan:
