

The Regional Centre for Suspected Child Abuse and Neglect

Provides medical treatment and counselling to children who have been mistreated, sexually abused or neglected.

Medical Services

- Specialized nurses and paediatricians are available 24/7 days a week; call and ask to speak with the nurse on-call.
- A complete head to toe physical examination.
- Care and treatment of injuries.
- A safe, quiet and private place.
- Referral to Paediatric Sexual Assault Day Clinic.
- Referral to counselling and community services.
- A follow-up phone call and/or visit.

Counselling Services

- Counselling sessions with a specialized social worker are available for non-offending parents, caregivers and youth under 16 years of age.
- In person and virtual sessions available. Sessions can be arranged within your local community.
- Social workers and families work together to identify the needs of the child and family and will develop treatment goals.
- Focus on safety and stabilization, psychoeducation on abuse; relaxation techniques; exploring uncomfortable feelings, thoughts and feelings; abuse prevention, parenting support and safety planning.
- With consent, social workers may consult and collaborate with community agencies

Referral Information

Referrals can be made to the RCSCAN by parents or by Child and Youth Advocates, Family Connexions, police, health care providers, or children's mental health professionals.

You may contact the program at
705 327 9155
